Municipal Council has resolved at the meeting held on 30.4.51 that the services of a junior Agricultural Inspector who is now in service to the Dairy Manager may be secured to the Dairy to work as Asst. Dairy Manager on the grade pay of Rs 55-5-100-10-150 as prevailing in the Agricultural Department with a special allowance of Rs 10/- and duty allowance of Rs 10/-

3) The Grade pay of the Dairy Manager is also Rs 55-5-100-10-150 to post another Asst. of the Town Council to work as the assistant may be apt to create certain relations between Manager Smooth working of the Dairy. The Dairy Managers duties are more of Controlling and Supervisory nature and the proposal may not be practical unless though made with the object securing the services of a trained and technical assistant to afford the Dairy Manager some relief may in the actual practical working prove, the object to result not to spare of the extra cost involved. This aspect requires consideration

26/5/51 The present Farm Manager is a Local Officer with Agricultural basis. The present proposal is to have another Officer on Local basis for the Assistant Farm Manager's Post also, practically on the same pay as that of the Farm Manager. This is not conducive to the good and efficient working of the Farm. The Vacancy of the Asst Farm Manager in the 55-5-100/- may be advertised through the P.S.C and action taken to fill it up by a suitable candidate as L. Ag. qualifications By having such an independent candidate (not to a Local Officer) he will have full training in the Farm, eventually to be promoted as Manager of the same Farm. Such a step

Subject - Revision of the scale of pay of the Asst Farm Manager of the Municipal Sewage Farm

I write to state that the sanctioned scale of supervision staff in the Municipal Sewage Farm consists of one Farm Manager of the grade pay of Rs 55-5-100-10-150, one Asst Farm Manager of the grade pay of Rs 55-5-100 The post of the Asst Farm Manager has been remaining vacant for the past one year for want of a suitable hands The present Farm Manager who has been managing the work single handed has been feeling it difficult to supervise over the fields and labour and also Municipal Cattle in the sheds situated in three different parts of the city Moreover, during the absence of the Farm Manager on account of leave or other circumstances, there is at present no other officer to supervise the work in the Farm The two posts of the Fieldmen were advertised but could not be filled up as no candidates responded A Fieldman posted by the Director of Agriculture in July 1950 resigned before a month was hardly over

As the present Manager experiences considerable difficulty to cope the heavy work in the Farm, the Director of Agriculture was requested to spare the services of one Agricultural Inspector from the Department In reply, he has stated

Department is Rs 55-5-100-10-150 as against Rs 55-5-100 provided for in the Farm for the Asst Manager's post He also intimated that the Inspectors posted might be given a C A of Rs 10/- and D A of Rs 10/- in addition to their pay

The Municipal Council ~~xxx~~ before whom the above question came up for consideration at their meeting held on 30-4-1951 have duly agreed to the proposal of the Director of Agriculture A copy of the resolution is enclosed

In these circumstances, I request that orders of Government may be kindly obtained to revise the scale pay of the Asst Farm Manager from the present grade of Rs 55-5-100 to Rs 55-5-100/EB-10-150 with Rs 10 DA and Rs 10 CA to enable the Municipality to have the services of a trained Asst Manager to the Farm

Necessary proposition statements is enclosed in triplicate It may be added, since the idea of the Council is always to have a junior incumbent posted against the places there will be no extra expenditure than what is actually provided for on average salary basis

Yours faithfully,
